

## CONTAINER BOOKING PROCEDURE

### 1.0) Container Notification

- 1.1) It is the responsibility of the client to notify Warners Transport & Distribution 72 hours prior to vessel arrival of expected container/s to allow for timeslot booking. All details including delivery requirements are to be emailed to [bookings@warnertrans.com.au](mailto:bookings@warnertrans.com.au) using the attached notification sheet with the container number/s in the subject line.
- 1.2) Delivery Orders or Electronic Delivery Orders must be delivered to Warners Transport & Distribution Operations a minimum of one day prior to first day of availability. Documents collected by Warners Transport & Distribution or its agents will be charged at the applicable rate.
- 1.3) Container storage is charged when containers are not removed from the stevedores within the allocated three day period. Container storage charges are incurred for all days including weekends and public holidays. Storage incurred due to the above requirements not being met will be the responsibility **of the client.**

### 2.0) Empty Container Notification

- 2.1) It is the responsibility of the client to notify Warners Transport & Distribution when containers are empty, clear of all dunnage, packaging, swept clean and are ready for collection.
- 2.2) Notification must be at least 72 hours prior to container last free day in order to avoid incurring storage charges. Notifications are to be directed to [emptynotification@warnertrans.com.au](mailto:emptynotification@warnertrans.com.au) with the container number/s in the subject line using the attached notification sheet.
- 2.3) Empty container demurrage charges are incurred due to the late return of containers to the nominated dehire depot. Shipping lines typically allow 7 to 10 days including weekends and public holidays from vessel discharge for the container/s to be dehire. Demurrage incurred due to the above requirements not being met will be the responsibility **of the client.**
